

## Session Program

16-18 Sept 2025

**31st  
Nuclear Physics  
Workshop**

16-18 September 2025  
Lublin, Poland

# 31st Nuclear Physics Workshop 2025

## Session 1

D-332

Instytut Fizyki UMCS pl. M. Curie-Skłodowskiej 1 20-031 Lublin

# Tuesday 16 September

09:00

## Session 1: Tuesday mornig

**Session** | **Location:** D-332, Instytut Fizyki UMCS pl. M. Curie-Skłodowskiej 1 20-031 Lublin

09:00–09:20 **Welcome address**

09:20–09:40

### **An outline of Professor Krzysztof Pomorski's research history, based on his publications**

**Speaker**

Andrzej Gózdź

09:40–10:00 **Krzysztof Pomorski, an outstanding colleague and friend**

**Speaker**

Johann Bartel

10:30–11:00 **Coffee break**

11:00–11:30 **On fission fragment mass and charge yields**

**Speaker**

Krzysztof Pomorski

11:30–12:00

### **Structure and reactions of light exotic nuclei - testing theoretical predictions in experiments**

**Speaker**

Krzysztof Rusek

12:00–12:30 **Shell effects and multi-chance fission in the sub-lead region**

**Speaker**

Fedir Ivanyuk

12:50
